Sir,

Mmz. 200-24-1.

I have the honor to submit herewith copy of letter P.C.No.442/23-24 dated 31st December 1924 from the Deputy Commissioner, Kolar -- District, recommending that the vacant site situated to the south -- of the late chattram building at Kolar may be handed over to the ---- authorities of the Sri Sripadarayaswami matha at Mulbagal for the -- construction of a students Home at an estimated cost of Rs.4000/- -- subject to the condition that it is liable to summary resumption if the conditions governing the grant are not strictly adhered to.

2. As the site is reported to be a source of nuisance and as the municipal council have no objection to the construction of the propose Students' home and as the building is intended to provide boarding and lodging facilities to students studying in the local High School I beg to support the Deputy Commissioner's recommendation and to --- solicit orders of Government to transfer the site to Mr. H. Venkataramanacnar, agent, on behalf of the Sri Sripadaraya matha and to -- take a mutchalika from him as per draft enclosed in the records.

No.R.P.C.442/23-24 dated 31st December 1924 from the Deputy ommissioner, Kolar District to the Muzrai Commissioner in Mysore.

"I have the honor to forward herewith a file of correspondence ending with letter No.588 dated 20th November 1924 from the President Municipal Council, Kolar regarding the disposal of the Government -- vacant site to the South of the Government Annachattram at Kolar -- Town and to state as follows.--

2. The site is situated to the South of and is contiguous with the Government Annachatram at Kolar, (since abolished and converted into a Rest House) and has been under the management of the Muzrai Department for a long time. Formerly, that is, so long back as the year 1874, a portion of the vacant site is stated to have belonged to the Municipality and the rest to Government. The exact area which ----- belonged to the Municipality could not be ascertained. And some time later, the Municipality ceased to claim its portion of the site. The old records available on the subject disclose the following informatio

3. In the year 1874, one Paladi Subbaiya of Kolar applied for the free grant of a portion of this site for erecting certain temples --- thereon. The Deputy Commissioner, Mr. B. Krishna Iyengar, in his -- order No.248 dated 6th October 1874, sanctioned the grant of 42 x 34 or 1428 square yards of land, on condition of the petitioner's ---- constructing the temples within one year, failing which, the site --- together with the materials collected was to be forfeited and resumed by Government. Subbaiya executed a Mutchalika accordingly on 12th - October 1874. He kept quiet for some time and about the year 1879-80, he built without permission a small dwelling house and gradually --- encroached upon the ungranted portion. He also began to construct a compound wall enclosing the entire site. The action of Subbaiya --- having been foundillegal in 1897, the whole site including the portion built upon was taken possession of by Government. Subbaiya having appealed to Government against Deputy Commissioner Mr. Srikanteswara -- Iyer's order in 1906, Government in their order No.5075-7/Muni.145 -- dated 30th November 1907, upheld the Deputy Commissioner's action and permitted the resumption of the whole site. A compensation of Rs.60/ (sixty) was sanctioned for the building and it was paid from the ---- Chattram funds. The whole site is thus now the exclusive property of

property of Government and has remained in the possession of Gove in the Muzrai Department.

4. This site is situated midway between the Fort and the Town and abuts on a most important high-way, viz., the Kolar Bowringpet Road. The exact area of the site according to the Amildar's report is 121'X 265 or 32,065 square feet. The rest House recently transferred to the -- District Board is immediately to the North of the site and on the -- south is an important Municipal road. The whole site is overgrown with prickly pear and shrubs, is very unsightly and is resorted to at night for insanitary purposes, so much so, offensive odours emanate and bring disrepute to the town as many people have to pass along the Kolar.-- Bowringpet High Road owing to the situation of public buildings like the Taluk Cutcheri, the High School, the Kolar Mission Institute& -- Hospital etc., it is therefore absolutely necessary to keep the site in a clean and satisfactory condition.

5. Two applications were received regarding the grant of this site ~~of~~ for building purposes. One was from His Holiness the Majjigenahalli Swamigalavaru at Thambihalli for the construction of a Matt on the site and the other from Mr. H.Venkatramanachar, Advocate and Agent of His Holiness Sri Medhanidiswamigalavaru of Sripadaraja Mutta at Mulbagal. The latter states that His Holiness the Swamigalavaru is anxious to construct a Students' Home on this site and to spend about Rs.4,000/- for the construction of a building with facilities for the free boarding and lodging of ~~at~~ at least 12 poor Brahmin students willing to study - Sanskrit according to Sanathana Dharma along with English education in the Government High School in Kolar Town. Mr. Venkatramanachar has also stated that the Matt is agreeable to build a decent structure within a period of two years, the plan being subject to the approval of the Deputy Commissioner and has executed a Mutchalika to this effect. He has also agreed that at least 12 students would be fed free in the Home and that the Aswathakatte which exists on the sites would not be interfered with, but would on the other hand, be improved and beautified.

6. In these circumstances, I recommend that sanction may kindly be accorded to the grant of this site to the Sri Sripadaraja Matta at --- Mulbagal for the construction of the Students' Home.

Of the two applications Mr. Venkatramanachar's deserves favourable consideration as the Majjigenahalli Matt does not appear to be in a prosperous condition or capable of carrying out its ~~xxx~~ object in a reasonable time. The purposes for which the Sri Sripadaraja Swamigalavaru intends to utilise the building is also of a more charitable nature. On account of the existence of the Aswatnakatte the site cannot be utilised for any purpose other than a religious or quasi-religious one-dwelling houses being out of the question. The Kolar Municipal Council who were consulted in the matter are agreeable to the above suggestion (vide copy of resolution attached) and alike in the interests of the sanitation and general improvement of the ~~xxxx~~ town, as well as to encourage a very laudable charitable purpose. I beg leave to ask for your good offices in recommending this proposal for the sympathetic consideration of Government. The Mutchalika -- taken from Mr. Venkatramanachar provides for the summary resumption of the site if the conditions of the grant are not strictly carried out the site may be granted free or if the Government are particular about levying a fee a sum of Rs.100/- (utmost) may be fixed as the price, as the building is intended to serve a charitable purpose.

The favour of early orders is solicited."
